ABOUT ENERGYWIRE – THE TRANSFORMATION OF THE ENERGY SECTOR

Energywire is written and produced by the staff of E&E News. Energywire is designed to bring readers deep, broad and insightful coverage of the transformation of the energy sector. Energywire focuses on the business, environmental and political issues surrounding the rapidly expanding unconventional energy industry and the numerous factors -- from expanding natural gas use to renewables and more -- that are altering the traditional electric utility industry. Energywire publishes daily at 9:00 a.m.
